The screenshot shows a web browser window displaying the IATUL News website. The browser's address bar shows the URL <http://www.iatul.org/whatsnew/>. The website header features the IATUL logo and the text "International Association of Technological University Libraries". Below the header is a "MAIN MENU" with links for "IATUL News", "IATUL Alert", "Newsletter (Back Issues)", and "Previous Postings". The main content area contains several paragraphs of text:

IATUL News provides postings about developments of interest to managers and staff of technological university libraries. Items posted within the last month are listed below.

An email bulletin summarizing these news items is sent to interested IATUL members via the [IATUL Alert mailing list](#).

The IATUL Institutional Member Representative is automatically subscribed to the mailing list. If you do not wish to receive IATUL Alert please [unsubscribe](#).

All staff of IATUL member institutions are welcome to receive IATUL Alert. They will need to [subscribe](#).

Past news items are kept on our Previous Postings page. You can search this list through the keyword search provided in your browser.

IATUL News, our print Newsletter, is no longer produced. Back issues are only available from our web site.

The footer of the page reads "IATUL News".
